

## Comprehensive Counseling Center

913 Route 23 Suite 206 Pompton Plains, NJ 07444

If you cancel a booked appointment with less than 24-hours notice, full payment for the session will be due. Full payment is the amount the insurance company normally reimburses for the session, not your copay. Three cancellations, with less than 24 hours notice, may result in a termination from treatment.

Thank you for your understanding of our policy
